A weekend away in a stylish caravan provides the perfect antidote to 21st-century living, and more and more people are now breathing fresh "retro" vibes into the humble recreational vehicle. Old-style campers also tap into the nostalgia/retro market and the desire for a simpler lifestyle. My Cool Caravan aims to inspire a new generation of camper owners and provide an idiosyncratic sourcebook for the design conscious. The inspiration for the styling can come from many different sources—this book looks at 30 styled campers in detail, covering themes such as Country Cottage, Rustic, Romany, Funky 1970s, Airstream, Trailer Park Treasures, and Recycled.
